

Letter from the Founder

From: **Shakira Thomas**, Founder & Executive Director

Dear Prospective Partner,

The Life With God Summit is the flagship annual gathering of the Life With God Movement—a one-day leadership and personal development experience rooted in Christian faith and intentionally designed to equip the next generation for life, leadership, and lasting impact.

Through biblical teaching, practical life-skills education, leadership development, and meaningful conversations with experienced leaders and professionals, participants will be empowered to live with purpose, lead with integrity, and positively influence the world around them.

For businesses and community partners, the summit provides a meaningful opportunity to invest in workforce readiness, leadership development, and the next generation of ethical, purpose-driven leaders while demonstrating a commitment to strengthening our local communities.

As you consider partnering with us, please know that your support helps create meaningful opportunities for young adult development, leadership growth, mentorship, and life-skills education. Through the Life With God Summit, young adults will be equipped with practical tools, biblical wisdom, and real-world guidance to navigate life's challenges, make purposeful decisions, and become positive influences within the world around them.

Together, we can invest in the next generation of leaders and create lasting community impact by helping young adults build strong foundations for their future and live lives marked by purpose, integrity, and faith.

Thank you for taking the time to learn more about this vision and for prayerfully considering how you can be part of it.

We believe this summit represents a powerful opportunity to equip, inspire, and empower a generation to live with purpose, lead with conviction, and make a meaningful difference in the world around them.

Your partnership makes a real difference in the lives of the young adults we serve.

In faith and partnership,

Shakira Thomas
Founder & Executive Director
